(intermediate level)

EDUCATION

BUSINESS INFORMATION TECHNOLOGY • 2020 - NOW • UNIVERSITY OF TWENTE

I have been introduced into Computer Science field where for projects we developed Battleship game in Java and we created a web API based on RESTful services. I believe that this degree gives me a good overview how companies can maximize their business opportunities thanks to IT capabilities.

ACADEMY PROFESSION DEGREE • 2018-2020 • ERHVERVSAKADEMI DANIA

I obtained my AP degree in Denmark where I also did my Marketing Internship

EXPERIENCE

MARKETING INTERN • FUTURECOMPANY • JAN 2020 – JULY 2020

Creating advertising content using Adobe Creative Cloud. Working with Google Ads.

Maintaining and updating the company's website using WordPress.

Participating in Photoshop, InDesign and Illustrator courses.

DISTRIBUTION SALES

CONSULTANT • STUDIO MODERNA WARSZAWA • JULY 2018 – AUG 2018

Talking with the clients and presenting the company's offers.

LANGUAGES

Polish – native language, **English** – advanced level **Dutch** – I obtained A2 level and I keep learning
